

BUREAU VERITAS
Certification

Occupational safety / Assessment
for

BalTec Maschinenbau AG
Obermattstrasse 65, 8330 Pfäffikon / Switzerland

Bureau Veritas Certification hereby confirms that the occupational safety system of the above-mentioned company has been assessed and is in compliance with the following requirement:

Standards/Regulations:

EKAS Directive NR. 6508

From January 2006 concerning support at work from medical and other occupational safety specialists

The occupational safety system comprises:

Development, engineering, manufacture and marketing of machines for riveting, forming and joining technologies as well as the associated customer servicing, advisory and servicing activities

Date of initial certification:	25.01.2012	End of the last certification cycle:	18.04.2020
Date of recertification:	04.02.2020	Start of the new certification cycle:	19.04.2020

The requirements of the standards/regulations must be continuously fulfilled throughout the validity of this certificate. This will be ensured and guaranteed through regular monitoring by Bureau Veritas Certification.
This certificate is valid until: **18.04.2023**

Bureau Veritas Certification will provide information on the validity of this certificate on request at any time. Additional information on the management system and the area of applicability should be obtained from the organisation itself.

Certificate number: **CH10908568** Version: **1** Issue date: **18.03.2020**
